EXPERIENCE

Front End Developer   2020-Present
Neoboard   Riverside, CA

Utilizing UX designs, implemented React front end to create website and page navigation. Collaborated with the product team to create a responsive, and mobile-friendly layout. Work with Amazon Web Service for deployment.

Lead Retail Consultant   2016-2019
Sprint Corporation   Hemet, CA

Successfully led my team in sales and operational excellence by communicating effective techniques. Developed successful solutions to customer's needs, driving my store to achieve top ranks in Promoter Score. Selected as tech expert for iOS and Android devices.

EDUCATION

Bootcamp Certificate: University of California Riverside : A 24-week intensive program for Full Stack Development, focused on gaining technical programming skills in HTML5, CSS3, Javascript, JQuery, Bootstrap, Firebase, Node Js, MySQL, MongoDB, Express, Handelbars.js & ReactJS.
